

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

July 21, 2008

H.R. 3336 **Camp Hale Study Act**

As ordered reported by the House Committee on Natural Resources on July 16, 2008

H.R. 3336 would require the National Park Service (NPS) to conduct a study of Camp Hale, a former military training area in Colorado, to determine the feasibility and suitability of designating the site as a unit of the National Park System. Based on information provided by the NPS and assuming the availability of appropriations, CBO estimates that conducting the required study would cost less than \$500,000 over the next three years. Enacting H.R. 3336 would not affect revenues or direct spending.

H.R. 3336 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
